

We are gathered here today to celebrate as Bride and Groom are united in marriage.

You are here today to affirm your love for one another and formally acknowledge that which your hearts already know...that your lives are meant to be shared as one, that you are stronger together than you are apart, and that, for all the days yet to come, you wish to share together all life's joys and challenges, committed one to the other. You've chosen to be with someone who enhances you, who makes you think, makes you smile, and makes every day brighter. You're teaming up and saying to the other, "Every experience I am going to have, I want you to be a part of." Just as two threads woven in opposite directions form a beautiful tapestry, so to your two lives when woven together make a beautiful marriage.

Groom do you take Bride to be your Wife? ("I do") Do you promise to love, honor, cherish and protect her, forsaking all others, be faithful to her now and always? ("I do")

Bride, do you take Groom to be your Husband? ("I do") Do you promise to love, honor, cherish and protect him, forsaking all others be faithful to him now and always? ("I do")

Please face each other and hold hands:

Groom, please look at Bride and say to her these words:

I, Groom, take you, Bride to be my Wife- To have and to hold from this day forward, for better or worse, for richer or poorer, in sickness and in health, to love and to cherish for as long as we both shall live.

Bride, please look at Groom and say to him these words:

I Bride, take you, Groom, to be my Husband. To have and to hold from this day forward, for better or worse, for richer or poorer, in sickness and in health, to love and to cherish, for as long as we both shall live.

Wedding rings are to remind you not only of the endless love you profess for one another this day, but of the precious gift of trust, honesty and commitment that you place in one another for all of your tomorrows. From this day forward you will wear these rings as a sign that no matter where you go and whatever you do, there is someone in this world who loves you more than anything else, who is always by your side.

Groom, please place the ring on Bride's finger and repeat these words:

Bride, with this ring I take you as my wife.

Bride, please place the ring on Groom's finger and repeat these words:

Groom, with this ring I take you as my husband.

From this moment forward you will always carry with you the love of another person. May your life together be immersed in love and happiness. May you always listen to each other and share your hopes and dreams. And may you hold true to the promises you have made to one another now and always. Tomorrow can bring you the greatest of joys, but today is the day it all begins.

And now, having spoken your vows to each other and sealed your vows with the exchange of rings, it is my honor and privilege to pronounce you husband and wife.

Groom, you may kiss your bride!

Ladies and gentlemen, I would like to present to you, Mr. and Mrs. Groom and Bride Last Name!
